PROFESSIONAL SUMMARY

Senior UI Developer | React JS & React Native | Responsive Web & Mobile Applications

Senior UI Developer with 10+ years of experience in designing and developing responsive web and mobile application interfaces. Skilled in translating Figma and PSD designs into pixel-perfect, production-ready user interfaces using React JS, React Native, HTML5, CSS3, JavaScript, PrimeReact, Bootstrap, and Tailwind CSS. Experienced in creating reusable UI components, implementing responsive layouts, ensuring cross-browser compatibility, and collaborating with cross-functional teams to deliver high-quality user experiences. Hands-on experience with **SEO optimization, semantic HTML, on-page SEO best practices, and Lighthouse testing** to improve website performance, accessibility, SEO, and overall user experience. Proficient in identifying and resolving performance and usability issues using **Google Lighthouse**, while ensuring websites meet modern web standards and performance benchmarks.

PROFESSIONAL EXPERIENCE

Softlabs Group Pvt Ltd
